Seniors Leave Their Mark at MHS

At the beginning of the school year the Senior class elected a slate of hard-working officers who contributed to making the last year at MHS memorable.

The class wasted no time in beginning the magazine sales shortly after school started. This money-making project supplied funds for the senior trip. The enthusiastic class sold more magazines than any other class in the sales history.

Giving the "Freshies" a warm welcome to MHS, they hosted "A Day on the Farm." It was a fun evening of dancing, stunts, and jokes on the freshmen.

What can the class say about the senior trip, except that it was an experience each will remember for a lifetime.

Graduation is a happy but also sad time for seniors. They are eager to have a chance in the world but regret leaving behind the "good ole times." The last and probably the most important year at MHS left all with memories and friends to be cherished forever.

Many Memories at MHS

Reflections of the Past

One day after I had taken the kids to school, waxed the floor, washed the dishes, and was cleaning my closet, I ran across my old high school yearbooks. Before I realized what had happened, I was completely engrossed in the dingy, yellowed pages. They took me back to the hallways and memories of MHS.

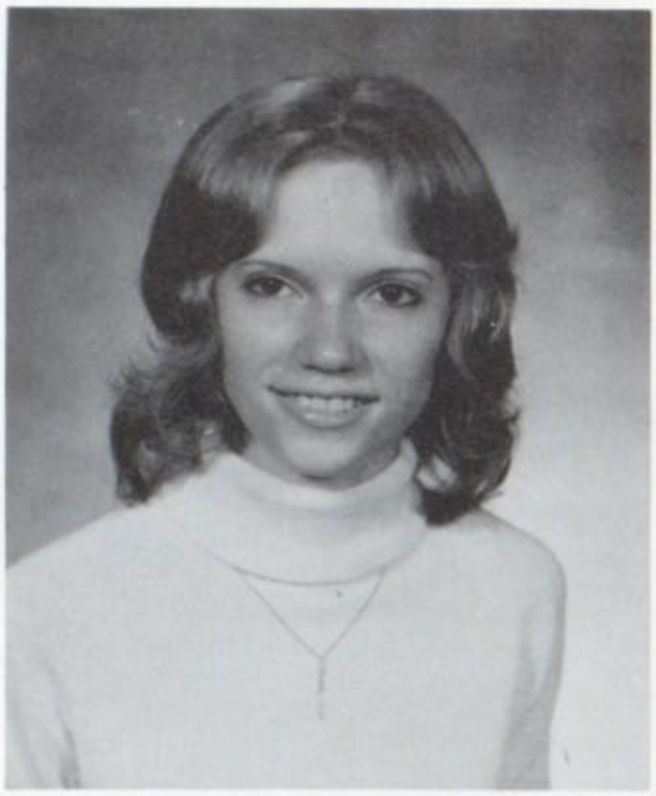
1971 - My first year at MHS with an entire high school career laying before me. Election of officers was a big event for the Freshman class: President, Monroe McWard; Vice President, Diane DeClerck; Secretary, Jackie Fahl; Treasurer, Doug Nation; Reporter, Raymond Minnis; Advisors, Mr. Bullard and Mr. Cress. Freshman initiation, "That Impossible Year," was often proved to be true.

The kids really matured by sophomore year. Many had ideals they believed in and would continue to fulfill throughout life. Class election results were: President, Raymond Minnis; Vice President, Mary Schneider; Treasurer, Debbie Curvey; Secretary, Janet Mundhenke; Reporter, Wes Wells. Mr. Bullard and Mr. Cress were advisors again, even though there were no class sponsored activities.

Junior year finally put the class to work showing how determined the kids were. Officers played a vital part in the year's activities: President, Debbie Lowden; Vice President, Howard Held; Secretary, Brenda Moore; Treasurer, Bonnie White; Reporter, Diana Rosenthal; Advisors, Mrs. Griffith and Mr. Heckmann. To start the fund raising activities for the Prom, the juniors sponsored a successful candy sales campaign. Class rings were purchased by many proud juniors. Cooperation and willingness to work was appreciated in the Junior concession sales at basketball games. The "Class of 74" delighted in breaking away from tradition. "Flowers for Algernon," a drama, was a difficult but successful play presented by the class. The proceeds from concessions and the play contributed greatly to the Prom Fund. Decoration, band, food, etc., committees got a head start on all Prom plans. "Fields of Wonder" will always be a beautiful memory in the minds of the Junior class.

As seniors - class of 74 had finally come true - everyone had established goals for his life. I had come to respect each of my fellow classmates for his or her own personality. Responsible people were elected as officers: President, Bob Montgomery; Vice President, Doug Nation; Secretary, Joyce Nation; Treasurer, Karen Fishburn. Senior float and magazine sales were the main money-making activities. The class trip was a memorable event. The yearbook editors, staff, and Mrs. Petersen worked diligently to produce a tremendous yearbook. Graduation did not break the ties of friendship because they can never be broken. It only provided a means to lengthen the ties so that new friends could be acquired without forgetting the old.

When I finished looking at the last page of the last yearbook, I looked at the time. Oh no! Time to start dinner and to pick up the kids! I hastily put the books back in the same dusty corner to be found and enjoyed again in the future.



John Philip Sousa Award

JOYCE NATION

Joyce Nation, daughter of Mr. and Mrs. Kenneth Nation, is the recipient of the 1974 John Philip Sousa Award. Joyce made many outstanding contributions to the MHS band program during her 4-year high school career. Her fellow band members, as well as the entire school, were especially proud when she was selected for a position in the All-State Band.

D.A.R. Award

JANET MUNDHENKE

Janet Mundhenke, daughter of Mr. and Mrs. Robert Mundhenke, was selected by members of the senior class and the faculty to receive the 1974 DAR Good Citizen Award. This annual award is based on the qualities of dependability, honesty, service, leadership and patriotism; all of which truly describe the type of girl Janet is.

Homemaker of Tomorrow Award

DIANE DECLERCK

A unique girl, Diane DeClerck, daughter of Mr. and Mrs. Connie DeClerck, received the Betty Crocker Search for Leadership in Family Living Award. Diane competed against members of the senior class on a written examination based on knowledge and attitudes of family life to win this recognition.

Juniors Enjoy a Busy Year

The class of '75 began school in August of last fall with great anticipation of goals they were to achieve. The Juniors started off their biggest year yet with candy sales. Everyone did his part and it showed with a profit of $550.00.

The concession stand run by the Juniors at home basketball games played a big part in thwarting the year's expenses. This was a lot of work and required much cooperation from all students.

Second only to Prom is the Junior Class Play. Many sacrificed nights and memorizing of lines went into this big event in order for the Juniors most important money-maker to be a success.

Finally, the last and most important event for any Junior class to accomplish is the Prom. All the hard work, raising money, and months of planning are done for this highlight of the year. The Juniors will always think of their Prom as the biggest and best ever.

The great success of the Junior year made the class more confident of an even better Senior year.

We, the class of '76, entered school as "experienced sophomores" ready and willing to meet the challenges of the new school year and to prepare ouselves for the years to follow.

We started off the year of moneymaking with a successful car wash. Only the cooperation of the students and our advisor made it a financially worthwhile project.

In our class we have many fine workers willing to give their time and energy to help the class. This was evident at our bake sale held in April.

Our main objective this past year was to raise as much money as possible for Junior and Senior activities such as the Prom and Senior class trip. Thanks to our advisor and the 67 members of our class, we have achieved our goals and established ourselves as a hard working class.

In September of 1973, MHS acquired a class of sixty happy-go-lucky Freshmen. Their first year at MHS did not include any class sponsored activities, but it was an important and memorable year. While adjusting to the new routine and making new friends, the Freshies filled the noticeable gap that was left by the graduating class of '73.

The Senior class officially welcomed the Freshmen to MHS on November 9. "Down on The Farm" was the theme of the day's activities climaxed with a party in the evening.

We, the Editors of the 1974 Mohawk, wish to thank all of our fellow Senior classmates for their help in making this year's Mohawk such a great success. The student body and faculty support also made the never-simple task of putting out the yearbook a happy burden.

Although money is a problem in most every phase of business, the yearbook staff had no worries because of the great financial backing we received from our friends in the school and community. For this, we are grateful.

We hope this yearbook may be used a future reference to all involved in the activities of MHS during the year, 1973-1974. The knowledge, happiness, and friendships acquired this past year are forever recorded between the covers of our Mohawk.

Last, but certainly not least, we wish to also thank that one lady who likes ping pong and spaghetti, Mrs. Petersen. We are forever indebted to her for the help, leadership, and understanding she gave us throughout the year.

Again, many thanks to everyone for their involvement in the "1974 Mohawk."

Because the Library Club does not charge dues, they depend on their bake sale, film festival, and book sales to provide funds for the year's activities.

The Christmas party and End-of-year party are always a lot of fun enjoyed by all members. At the end of the school year, the Library Club purchases a gift for the school with their remaining funds. Besides being beneficial to the school, the Library Club is FUN!

Student Council . . . For the Students

The Student Council for the 1973-74 school year has been a very active organization. Activities began in early spring - selling ads for the Picnic and Homecoming Program books which combined with a Slave Day brought in almost $200.00. Activities within the school year included a Greaser Day, UNICEF skit, annual Chili Supper, Homecoming "We May Never Pass This Way Again," Slave Day, Christmas Ornament and Locker Decoration Contest, Assemblies, and Sweet Shoppe at the spring carnival.

Improvements were made in the dress code, the new stage curtain was put up, and further investigation of Teen Business was made. The Council has improved relations with the students and faculty by being more open to suggestions and criticisms from the students.

All the girls involved in F.H.A. are energetic and ambitious workers. The Chapter sponsored numerous activities during the school year.

The annual Daddy-Date Night was enjoyed by both the girls and their dads. The Glenwood Singers performed at the Family Banquet, an honor fitting the occasion. On this night, members who had been working for Junior degrees received them. A Slave Day furnished funds for some of the year's activities. Many girls attended the Fall Rally held at Stonington High School. Much work and enthusiasm went into the planning of this meeting. The F.H.A. cooperated with the Yearbook Staff to sponsor the school Carnival. The members worked in booths and put together a variety show. During the National F.H.A. Week, an activity was planned for each school day. The highlight of F.H.A. Week was the State Convention attended by two members and Mrs. Langen. Each year the Chapter takes the senior members out to dinner for their memorable Senior Send-Off. The money raised during the year is put to good use for the F.H.A. trip which takes place in May. Chapter parents were Mr. and Mrs. Connie DeClerck and Mr. and Mrs. Robert Mundhenke.

F.F.A. — Youth With a Purpose

F.F.A. is an organization for high school boys who are preparing themselves for futures in agriculture. Many will eventually become farmers while others will work in Ag.-related businesses and industries.

As one of the largest Chapters in this section of Illinois, the Morrisonville F.F.A. is extremely proud of its record of participation. This past year members competed in livestock, soil, public speaking, and mechanics contests. They showed their livestock and grain at local, sectional, and state fairs. Their attendance at leadership schools and State and National Conventions helped them to build character and citizenship.

In October, Chapter delegates to the National F.F.A. Convention in Kansas City, Missouri, saw Larry Weber receive the American Farmer Degree. This is the organization's highest honor and is awarded to one out of each one thousand members. Larry is the second member to become an American Farmer in the Chapter's history.

Although small in membership, this year's Lettermens' Club was quite active and sponsored several major activities.

Their major money-making project was KXOK-ALL STARS vs. Morrisonville Faculty Basketball game. T-shirt sales also helped to provide funds the club needed.

A large portion of the money raised financed the varsity basketball team. The Athletic Banquet was another activity which honored individual achievements by members of Mohawk teams.

Senior Night, also sponsored by the Lettermens' Club acknowledged the efforts of the parents of Mohawk seniors in putting up with the rigorous activities involved in membership on an athletic team.

Involvement, that was the new idea Mr. Hartman successfully stressed with the high school band members this year. He felt that a band that consists of students who care about the results of the group will do a better job. In addition to the concert band, pep band, and stage band, a brass choir was organized to involve more people in band activities outside of class time.

More students than ever before participated in area band festivals, such as the Illinois Music Education Association Audition, the South Central Illinois Band Director's Association Festival, and the High School Solo and Ensemble Contest. The Illinois Music Education Association Festival gave the members an opportunity to compete with other band members in the district, which consists of twenty counties. With good results in District competition, students could advance to All-State competition.

The entire band participated in the Illinois College Homecoming Parade, a Christmas Concert, the Spring Concert, and several performances in area nursing homes.

Hard work on the part of the members coupled with cooperation from the school board and inventive ideas from the newly formed Band-Parent Association have made it possible to complete band uniforms this year with new turtleneck sweaters.

The Student Council tried something "different" this year, hosting a fun day topped off with a Greaser dance in the evening. Students arrived at school all decked out in the 1950 fashions including ponytails, bobby socks, leather jackets, and baggy pants.

Entertainment for the dance was provided by Dick Clark (Dennis Smith) and a special guest appearance by Elvis Presley (Bruce Westcott). The evening was highlighted with the presentation of the Greaser Court which was composed of students who wore the best 50's costumes. Queen Bobby Sox, Diane DeClerck; and King Butch Wax, John Pomeroy, reigned over the dance. The day was fun and reminiscent of a past generation.

Homecoming Dance a Beautiful Memory

On a snowy December evening, the Student Council hosted the Homecoming Dance in the K.C. Hall. Spirits were only slightly dampened by our basketball loss. "Tenderness Junction" was the band providing music for dancing. The climax of the night was the presentation of the Homecoming court. Santa and Mrs. Claus (Mr. and Mrs. Hartman) brightened up the ceremonies with their unusual entrance and coronation of the Queen, Diane DeClerck and King, Bob Montgomery. The theme "We May Never Pass This Way Again," was very appropriate for the important occasion.

HOMECOMING COURT: Howard Held, Cindy Fleming, Jim Allen, Karen White, Brad Nation, Santa, Mr. Hartman; Dean Held, Crownbearer; Queen Diane DeClerck, King Bob Montgomery, Mrs. Claus, Mrs. Hartman; Keri Koppari, Crownbearer; Carol Weber, Jerry Schneider, Della Amos, Bonnie White, Mark Forbes, Brenda Moore, Monroe McWard.

"Our Town" by Thornton Wilder outlined the history of the town, Grover's Corners, N.H. It carries you into the lives of the Gibbs and Webb families, middle class people leading middle class lives. It shows living people occupied with their petty jealousies and small thoughts and how they know very little of true joy, happiness, and the value of living.

Hours of Memories

"Magic of the Moment" was the theme for the Spring Carnival. The Yearbook Staff and F.H.A. members and their mothers put in much time and effort to make the Carnival a success. A variety show in the Knotty Pine room, the Senior show in the bandroom, the concession stands, candy booth, marriage chapel, and an odd assortment of booths contributed to the fun.

The "magical moment" occurred when Gloria Painter was crowned 1973 Carnival Queen and Jim Allen was crowned 1973 Carnival King.

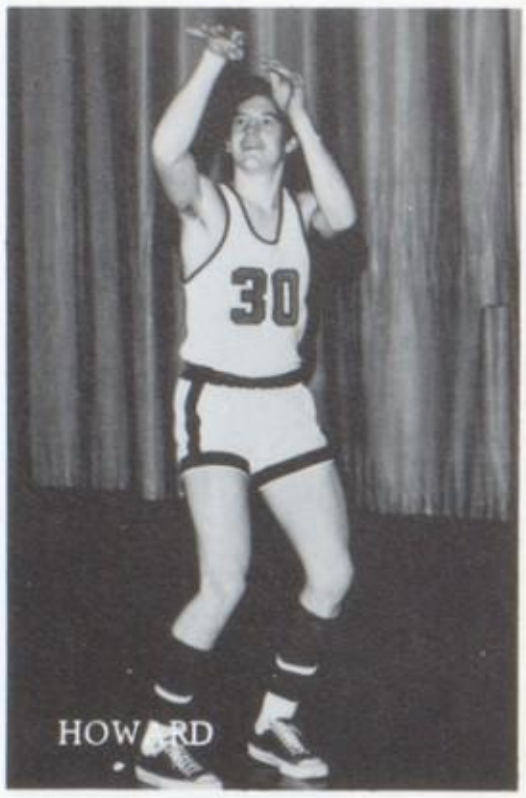
Compliments of PEPSI-COLA BOTTLING COMPANY



Howard Held, a 6′ senior, served as our captain and has done a fine job promoting team unity. Howard played with great intensity and had the unique ability to be in the right place at the right time. He played both ends of the floor equally well and anticipated defensively better than anyone on the team. Howard successfully made the difficult transition from forward to guard in his senior year.

Senior Monroe McWard (6′1″) was our most exciting and consistant offensive player. He was one of those guys who made things happen. While maintaining a high scoring average, Monroe was extremely unselfish. In fact, he had more assists than any two of our other players.

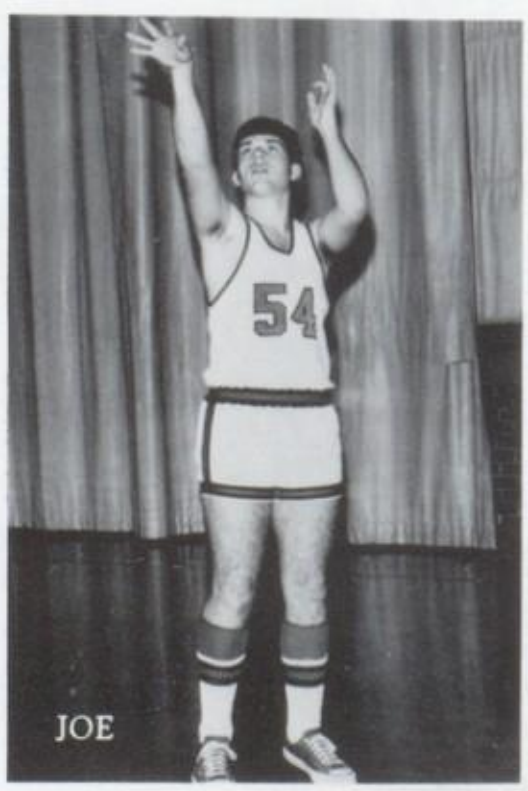
Senior Bob Montgomery (6′1″) made a great contribution to this year's team. His greatest asset was his versatility. Bob could play both guard and forward on offense and knew how to play all five spots in the 1-3-1 defense. I don't think Bob ever realized how good he really was.

Individual Mohawks Unite for

Lenny Goebel, a 6′2″ junior, gave us the size and strength that all good teams must have. Lenny didn't start the year in very good condition; but once he got in shape, he had to be a starter. We're looking for Lenny to have a great senior year.

Mike Millburg, a 6′ junior, showed flashes of greatness. His ability to play defense and offense consistency will determine how much Mike will play next year.

Joe Huddleston, a 6′1″ junior, has both the size and shooting ability to become a good player. He is a student of the game and can play several positions.



Compliments of the JUNIOR CLASS

Jim Allen, a 6'8" junior, improved all phases of his game in 73-74. He became aware of the fact that his size allowed to intimidate many opponents both offensively and defensively. I've seen no player on our schedule that I would trade him for. Jim led us this season in points, rebounds, blocked shots, and hustle points.

5'8" junior, Steve Curvey was our best ballhandler and by the end of the season had developed into a good scorer. His ability to be a leader on the floor will probably greatly affect how well we do in 74-75.

John Fahl, a 5'9" junior, understands the technical and strategic phases of the game extremely well. Although he was slowed a little by an injury, he progressed very well as both a ballhandler and defensive point man.

Successful 20-7 Season

A 6' junior, Mike Porter, developed into a definite scoring threat by midseason. Mike will help us if he improves his defense and quickness.

Kevin Moomey, a 5'10" junior, had the greatest shooting range of our upperclassmen. When the rest of his game catches up to his ability to score, it will be hard to keep him out of the lineup.

Dale VanOstran, a 6'3" junior, was the most improved player on the squad. The amount of off-season work Dale is allowed to do will determine how much he will contribute next year.

Cinder-ellas Sprint Off to a Good Start

This spring marked the start of a girls' track program at M.H.S. The forty coeds which made up the team were very anxious for the first of March and the practice season to get underway. All the girls worked hard to make the first season a successful one. No definite schedule was available at the time of this writing, however, the team was ready for competition in April. Eleven schools were expected to participate in the Conference. MHS entered in the following events: Sprinting (50, 100, 1 mile); Relay (800); Hurdles (440, 880, 1 mile); Long Jump; Shotput; and the Discus Throw. Interest in participation was expressed by the following girls at the start of the season:

M.H.S. Coaching Staff

The 1973-74 school year saw a winning tradition become established at M.H.S. The persons responsible for this are: John Blackburn, Tom Hays, Tony Cook, Gary Heckmann, and Penny Newkirk. They spent countless hours with the athletes building winning teams and winning attitudes.

New to the coaching staff this year were Mr. Cook, Mr. Heckmann, and Miss Newkirk. Mr. Cook and Mr. Heckmann combined their efforts to train the 5th, 6th, 7th, and 8th grade basketball teams, which are the potential Mohawk teams of the future. The athletic program expanded this year to include a special girls' volleyball team and a girls' track team, both capably coached by Miss Newkirk.

We are proud of the M.H.S. athletic program and its leaders - the influence of which has made our school stronger.

To the coaching staff, we say thank you for a job well done.
